

## COMMENDATION FOR PROFESSOR YESIM DEMIROGLU

Dear Chair of Department of Mathematics & Statistics, Kimberly Elce,

I am writing to express my sincere admiration for Professor Yesim Demiroglu, whose exceptional teaching in Math 100, Applied Linear Algebra, has significantly impacted my academic journey. Professor Yesim Demiroglu's ability to transform complex mathematical concepts into comprehensible and engaging lessons is truly commendable. While I had struggled getting the concepts of eigenvalues and eigenspace for years now, Professor Yesim Demiroglu patiently explained the underlying principles through clear analogies and real-world examples.

Her dedication to student success is evident in her meticulous attention to detail, patient explanations, and willingness to go the extra mile to ensure student understanding. Thoughtful lesson planning accompanied with her continuous efforts to getting to know each of her students represents not only the qualities of a great professor but exemplifies the spirit of Sacramento State's Student Success.

Beyond her academic prowess, Professor Yesim Demiroglu fosters a supportive and inclusive learning environment. They create a space where students feel comfortable asking questions, seeking clarification, and collaborating with peers. Her approachable demeanor and genuine care for students' well-being contribute to a positive and productive classroom atmosphere.

I wholeheartedly believe that Professor Yesim Demiroglu is an invaluable asset to our department. Her exceptional teaching skills and commitment to student success make them an exemplary educator. I urge you to recognize her outstanding contributions to the department and the university as a whole.

Thank you for your time and consideration.
